★★★★★

"I feel like I'm a person with nbkc. With other banks I'm just an account number and my name is in a big bucket, and I don't have anyone who is invested in me and my business."

- Jaeme Simmons

★★★★★

"It's more about people interacting and conducting business than with a machine. I cannot do my job without interacting with people."

- Gordon Black

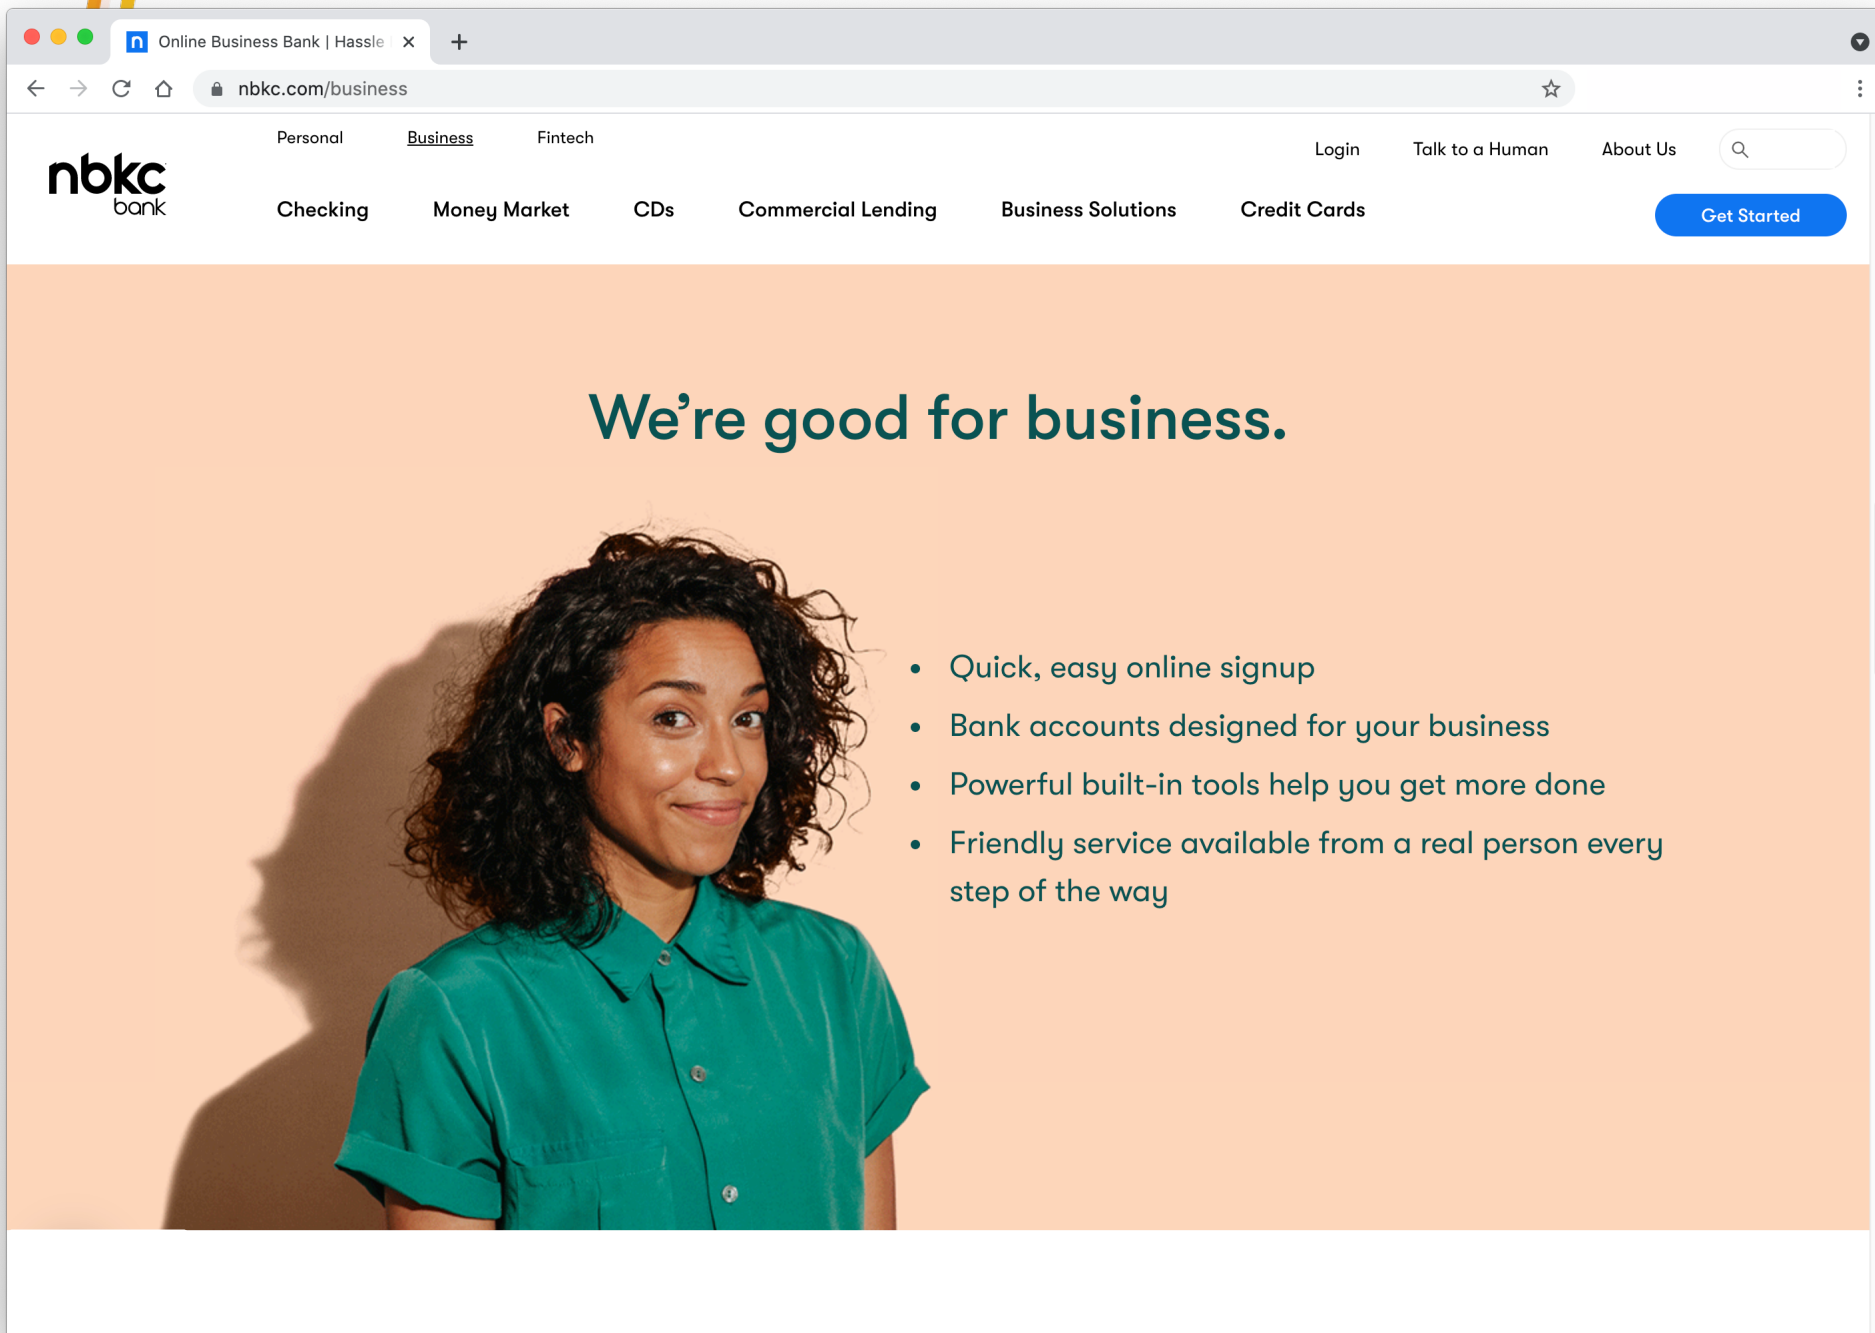

★★★★★

"If I have something that I need nbkc to do, they get it done quickly so I can check it off my list and can get back to other things that have to do with our business."

- Mic + Missy Johnson
